Section	Page
<u>Checklist</u>	3
<u>November 7: Workshops</u>	4
<u>November 8: Conference</u>	5
<u>Notes</u>	6

CHECKLIST

Before you arrive:

- Review the agenda
- Identify the sessions that you are most interested in learning about
- Set your learning goals for each day
- Connect with other attendees on social media
- Share your learning goals with your colleagues and other attendees

During the workshops and conference presentations:

- Record key takeaways
- Translate the takeaways into action items to complete within a week
- Share what you're learning with conference attendees
- Share what you're learning on social using the hashtag #NomadCity2019

After the conference:

- Complete your action items
- Reflect on the changes that were enabled by what you learned at the conference: (e.g. knowledge, attitude, behavior, skills)
- Share what you learned with your colleagues

NOVEMBER 7: WORKSHOPS

Goals

What do you want to learn?

Takeaways

What did you learn?

Action Items

What can you do immediately or within the next week to apply what you've learned?

Reflection

How did what you learned improve or change your knowledge, attitude, behavior or skills?

NOVEMBER 8: CONFERENCE

Goals

What do you want to learn?

Takeaways

What did you learn?

Action Items

What can you do immediately or within the next week to apply what you've learned?

Reflection

How did what you learned improve or change your knowledge, attitude, behavior or skills?
